

MUJEEB QADRI

QUALITY ANALYST

Umer Colony, Lalbazar, Srinagar, 190023 | muj33b.q4dr1@gmail.com

SUMMARY

Quality Analyst with 3+ years of experience in quality audits, operational evaluations, RCA, performance reporting, compliance monitoring and coaching across high-volume customer-service and AI operations. Proven record of maintaining 98–100% quality accuracy, leading 16 QAs, building performance dashboards and translating audit findings into targeted improvement actions. Experienced in stakeholder reporting, process-gap identification, training support and continuous quality improvement.

SKILLS

Quality Auditing • Quality Monitoring • Root Cause Analysis • Trend and Defect Analysis • Quality Scorecards • Performance Dashboards • Corrective Action Planning • Calibration • Compliance Monitoring • Coaching and Feedback • SOP and Process Improvement • Stakeholder Reporting • Microsoft Excel • Google Sheets • Google Apps Script • WBR/MBR Reporting

PROFESSIONAL EXPERIENCE

Senior Representative Operation, Concentrix

Aug 2025 - Apr 2026

- Supported customers in the United Healthcare insurance process, verifying member information, reviewing benefits and claims-related concerns, identifying potential fraud or misuse, and ensuring all resolutions followed regulatory compliance, privacy, and internal policy requirements, while maintaining a 100% NPS score.
- Handled Amazon Retail North America customer cases involving accounts, orders, payments, disputes and chargeback-related concerns; verified customer and transaction information, identified suspicious activity, and escalated potential fraud cases according to payment-security and fraud-prevention procedures, achieving 78% FCR and 82% CSAT.

Senior Quality Analyst, Cognizant

Jan 2022 - Aug 2025

- Led a team of 16 QAs on high-impact Google Ads AI projects, ensuring 99%+ audit accuracy, strong quality compliance, and consistent support across multiple workflows.
- Developed dynamic dashboards, live trackers, and automated reporting workflows using advanced Google Sheets formulas and Google Apps Script, improving productivity by 40%, efficiency by 30%, and reducing manual errors by 35%.
- Conducted RCA, performance coaching, peer training, and stakeholder reporting through WBR/MBR updates while maintaining 98–100% quality accuracy and exceeding productivity targets by 120%.

EDUCATION

Bachelor of Civil Engineering

2017 - 2021

Aryans College of Engineering

- Relevant coursework in Structural Design and Project Management.
